# QUESTIONS & ANSWERS

## **When are Season Tickets on sale?**

Season Ticket will be on sale from Tuesday 23rd April. Current Season Ticket Holders will have their current seats reserved until 5pm on Friday 17th May, 2013.

## **When is the deadline date?**

The deadline date for both current and non-Season Ticket Holders to secure their seat and take advantage of the early bird prices is 5pm on Friday 17th May, 2013.

## **What happens after 5pm on Friday 17th May, 2013?**

Further information about what will happen from Saturday 18th May will be released closer to that date – you are advised to regularly check [www.lcfc.com](http://www.lcfc.com) for updates.

## **Can I choose my seats or relocate my tickets to sit with friends and family?**

Yes. If you would like to sit next to friends or family who are Season Ticket Holders, or would like to take friends and family to a game but there are not seats close to your own season ticket seat, you can relocate to another area of the stadium so you can all sit together. Contact the Sales Centre or City Fanstore for details of how to relocate. We strongly advise you relocate before the day of the game to avoid queues at the City Fanstore.

## **Will I be charged if I purchase a Season Ticket using my Debit or Credit Card or if I choose to pay using the Direct Debit Scheme?**

No. To make your Season Ticket that much more affordable, the Club have removed ALL interest and administration fees, no matter how you choose to pay. Credit card fees on Season Ticket purchases have been removed and for supporters choosing to spread the cost by Direct Debit, the scheme for 2013/14 will be free of administration fees with 0% Interest.

## **Can I spread the cost of my Season Tickets?**

Yes, you can spread the cost of your Season Ticket until March 2014, without paying any fees and not a penny of interest!

Purchase your season ticket before May 17th 2013 and spread the balance over up to 11 months. All we ask for is a small deposit equivalent to one monthly instalment per seat – and we'll charge you NO interest and NO administration fees!

Please note, missed payments will result in a £12.50 default charge per missed payment. The Club reserves the right to withdraw any season ticket if any scheduled payments are missed. The final payment for all payment plans must be made by March 2014. The club reserves the right to refuse a direct debit application. In such a case the season ticket can be purchased as normal using one of the other payment methods.

## **Will I lose out if match ticket promotions are offered next season?**

Absolutely not. Season Ticket Holders are guaranteed to get the best financial deal over the course of a season. Whilst the likelihood is we will continue to offer occasional match ticket promotions next season for certain fixtures, these will be carefully selected to help attendances at certain stages of the season, but will never be anywhere near the value of the savings you make.

As a Season Ticket Holder, you will always be the Club's highest priority.
